Hampton athletes clearly outdis-  
tanced the athletes of the Norfolk  
High school and Old Point Comfort  
College in the field day sport pulled  
off on New Park field yesterday  
afternoon. Hampton took the first  
prize with ease, while Norfolk came  
second and Old Point Comfort Col-  
lege third. The exercises were most  
interesting and the events  
elicited rounds of applause from the  
big crowd in attendance.

When the program started at 1  
o'clock a large crowd had gathered  
on the field and later in the day it  
was estimated that fully 600 persons  
were out to witness the field day  
program.

### Tom Wood a Star.

Thomas M. Wood, Jr., of the Ham-  
pton High school, proved the particular

running broad jump, 220 yard dash,

awarded to W. W. Worthington, of  
the Norfolk High school, who had 12

cil in that ward. Messrs. R. S.

have also asked the voters to elect

### Wants a Divorce.

Through his attorney, Mr. Thomas  
L. Slater, John G. Mahlman yester-  
day instituted a suit for absolute di-  
vorce from his wife, Mrs. Ella D.  
Mahlman.

### Sues Out Attachment.

In the Circuit Court yesterday Mar-  
tin and Andrews, through Attorney  
John Weymouth, sued out an attach-  
ment suit against W. H. Tignor.

### In New York.

Mr. Julius Snimkowitz and Col.  
William Thompson have gone to New  
York, where they will spend several  
days attending to business for the  
Virginia Glove Company.

### Logical Inference.

Lord Lucas, who is so ably sup-  
porting Mr. Haldane in the territorial  
scheme, tells a good story of a teacher  
in a Midland town noted for his pa-  
thotic fervor. One day he was explain-  
ing to his class what he thought was  
a lack of proper spirit in the average  
English boy. "Now, Tommy," he  
said, "tell us what you would think  
if you saw a Union Jack waving proud-  
ly over the field of battle." "I should  
think," was the logical reply of  
Thomas, "that the wind was blowing."  
—From M. A. P.

### Recollections of Tour.

In a London drawing room recently  
the hostess said to a comfortable-look-  
ing lady, the widow of a wealthy Mid-  
land manufacturer, who had been tour-  
ing during the winter in the sunny  
south: "Of course, you went to Rome,  
dear Mrs. Dash?" "Rome!" replied the  
widow, vaguely and meditatively, "did  
we go to Rome, Ethel?"—to her  
daughter this. "Yes, ma, you know  
we did, that big place where I bought  
those lovely silk stockings."

### Art in the Kitchen.

After much meditation and experi-  
ence I have divined that it takes as  
much sense and refinement and talent  
to cook a dinner, wash and wipe a  
dish, make a bed and dust a room as  
goes to the writing of a novel or shin-  
ing in high society.—Rose Terry  
Cooke.

## REV. W. S. TRIMBLE WILL COME TO THIS CITY

Highland County Minister Accepts the  
Call to the Hampton Presbyter-  
ian Church.

Dr. Walter A. Flecker, clerk of the  
Hampton Presbyterian church, yester-  
day received a letter from Rev. W.  
S. Trimble, of Monterey, Va., in which  
Mr. Trimble announces his acceptance  
of the call to the church here. Mr.  
Trimble will begin his duties in Ham-  
pton on May 24, and already the church  
is arranging for his installation as  
pastor. The news of Mr. Trimble's  
decision to come here will prove of  
considerable interest to the Presby-  
terians as the church has been with-  
out a minister since last October. Mr.  
Trimble is one of the best known  
ministers in the western part of the  
state.

### Clothing and Temperature.

The whole theory of clothing and its  
relation to temperatures is condensed  
by Dr. Wachenheim in the following  
paragraph, which will probably sug-  
gest where many mysterious colds  
come from: "The nude body of a  
healthy adult, when at rest, maintains  
its normal warmth of 99 degrees most  
easily at an air temperature of about  
80; this may be called the indifferent  
temperature, and is reduced by very  
light summer clothing to about 75, by  
heavy winter dress to about 65 de-  
grees; under these circumstances we  
feel just comfortable when lying down  
or otherwise inactive."

tions to other men; their misconduct  
does not affect your duties.
